Everything Happens For A Reason

God's Word is filled with principles that teach us how to live successful and productive lives. One of the key principles of the Word is "The Law of Seedtime and Harvest". This law, says *whatever* a person plants (sows) is what they shall receive (in life) over time. Another way to view this principle is "Everything happens for a reason". This principle can fundamentally shape our lives for good or bad. We are admonished to continuously sow the right seed with our words and actions so that we may reap a good harvest; however, the opposite can occur also (decay & destruction). The amount of time we choose to mediate and be obedient to the Word of God has a direct response to how victorious we live as Christians. The choice is ours.

READ: Genesis 8:22 KJV - "The Law of Seedtime and Harvest" is the principle established by God that remains forever. Simply stated... "everything happens for a reason". It is important that we intentionally sow the right seeds, in order to reap a good harvest.

1. What is your definition of a good harvest?

READ: Luke 6:45 NIV; Proverbs 6:2 NIV - It is critical to watch what comes out of our mouths.

2. How have your words brought you blessings? How have they condemned you?

READ: Proverbs 18:21 KJV. What we choose to speak will either bring forth life or death to our situation. God's words will always produce light, life and health; negative words are unproductive and produce death, sickness and disease, which is a result of operating in fear.

3. State one phrase that will produce light, life and health in your life?

READ: James 1:25, James 2:12-13 NLT . God ensures us when we are can frame our world. If we are and obedient to the His Word, we will reap an abundant harvest, if not we have ourselves to blame.

4. What changes can you make to ensure that you are in position to receive an abundant harvest this year?
