### Faith vs Fear

As human beings, we have the freedom of choice. God allows mankind to have free will. **Faith and Fear** are spiritual forces that operate at opposite ends in the spirit realm. Both faith **and** fear come by hearing, over and over again, words of faith or fear. Then receiving what we heard, and then repeating that process. Both the force of faith and the force of fear have the power to affect our heart and our mind, but as human beings, **we have the power to choose.**
